

Money Map

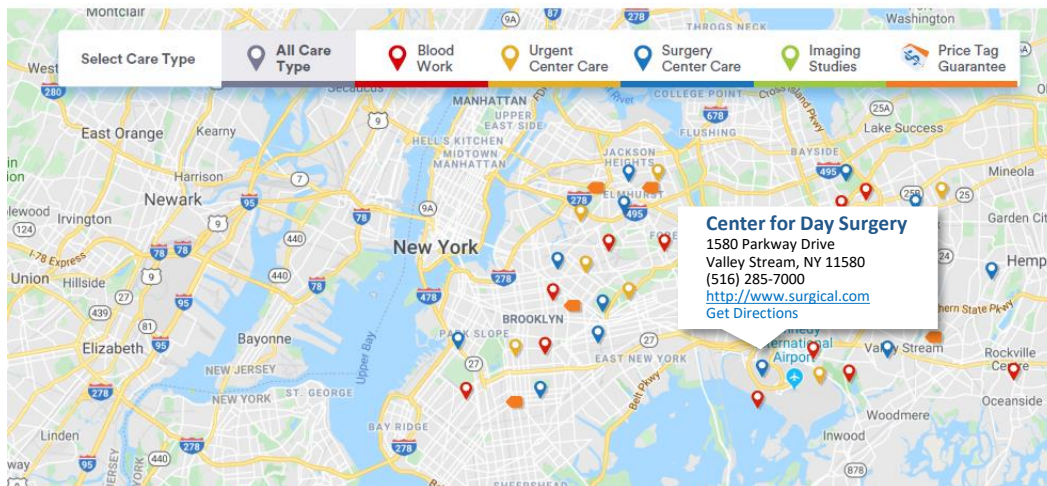

Two Taps to Care, Anywhere[®]

Lower-cost, In-network Outpatient Care Facilities

healthPERX
BENEFITS REIMAGINED

Save 20-30% on Your Total Outpatient Spend

- Money Map uses Google maps and markers to display nearby lower-cost, in-network care providers for routine outpatient care anywhere in the U.S. by zip code or GPS
- No changes to carrier/network, benefits, PCPs or specialists
- When your doctor orders outpatient care, or if you need urgent care, just tap the care category and tap a marker near you
- Just tap the map. Done in seconds!

Maximize Savings by Offering Incentives: 2 Options

1. Waive co-pay/coinsurance. We work with your TPA to make this happen.
2. Cash rewards. With the Pratter/Global Cash Card debit VISA card, money is loaded onto the plan member's reusable VISA debit card in 24 to 96 hours.
