

Why is healthPERX a better Telemedicine solution for my company when we get it included on our insurance plan?

THE TELEMEDICINE PLAN OFFERED BY HEALTHPERX:

- ✓ Includes the employee, their legal partner and all legal dependents at no additional cost
- ✓ Allows for unlimited medical consultations
- ✓ Has no copay (\$0 medical consult fee), which helps increase utilization
- ✓ Is available for all employees, full-time or part-time, regardless of their work status or if they are on the company insurance plan
- ✓ Is available in all 50 states without a limited network or need for referrals
- ✓ Is available 24/7 by phone, video or app, which increases access and utilization
- ✓ Allows medical consultations for all ages and medical notes can be shared with your Primary Care Physician
- ✓ Is an ideal benefit to recruit and retain valuable employees
- ✓ Is NOT part of your insurance plan, is not weighted and will not show loss runs/ratios to your insurance provider, saving companies on their renewals
- ✓ Will not incur claims costs every time it is used
- ✓ Will stay with the company and the employee if you switch health plans
- ✓ Includes a complete Engagement, Communication and Utilization Program that builds awareness and drives utilization

YOUR INSURANCE CARRIER:

- ✓ Only covers the member (the insured)
- ✓ Usually requires a \$40-\$55 co-pay per consult which significantly reduces utilization
